

WILTON BOARD OF CEMETERY TRUSTEES

PO Box 83 Wilton, NH 03086

WILTON CEMETERY TRUSTEE MINUTES JUNE 24 2014

7:10 call to order

Attendance, Brian Adams- Chairman, John Jowders- Trustee

Public Attendance, Sara Spittel, Mary Ann Shea, Shan Clark

Topic of discussion – data entry and mapping of cemeteries with Sarah, Mary Ann, and Shan. They are working on Laurel Hill at this time, and would like to set up at “Old Home Days” to show the public what they are doing and what is available for information. Brian asked about present data program and if it was what we need? They felt it is out dated and very limited. Mary Ann will look into available data base that would be more up to date.

Sarah asked why there were no flags on veteran’s graves at Vale End on Memorial Day. Board will investigate. She also asked if she could clean some of the older stones at Vale End. Board granted permission. John concerned about cemetery maintenance, he noticed some things not mowed or trimmed.

Brian feels the Board needs to review recent rule changes regarding burials per grave. Recent changes have created a hardship for past “Right to Inter” owners.

Currently a grave has one (1) Full burial and one (1) cremation on top of vault with a Marker for each. This limits number of burials, because no more markers are allowed per grave.

8:35 Motion to adjourn (Brian) seconded (John)- All in favor
